

tom krøjer

TomKrøjer (1934-2015) was a Danish Postwar & Contemporary painter who was born in 1942. Numerous key galleries and museums such as Galleri Tom Christoffersen have featured Tom Krøjer's work in the past.

He studied at the Stockholm Academy until 1967, but had already been exhibiting since 1962. Inspired by Pop Art and the Fluxus movement, he experimented with videos, installations and happenings. He collaborated with famous Danish artists such as Asger Jorn and Jens Jørgen Thorsen among others and was associated with the Bauhaus Situationiste. His paintings and graphics are alive with bright colours and clear surfaces.
